

# THE CURRENCY ANALYTICS

tStamp

# Why was tStamp Created? ?

## 1 Rampant False Reporting in Crypto

## 2 90% of Crypto Projects are Scams

## 3 \$273M of the \$6B Daily Trading Volume is Fake

# Why was tStamp Created?

**Global blockchain market is expected to reach \$20 billion by 2024**

1. It won't grow that high with a snake oil salesmen mentality.
2. Industry needs a real way to verify accurate information.

**tStamp is a label that seeks to bring blockchain back to its roots**

1. The industry has a whole has become overtly centralized and inaccurate.
2. Committed to transparency for marketing, statistics, and finances.

# Who does tStamp Service?

## ICOs, IEOs, STOs, other token offerings, & blockchain startups

1. Projects looking to gain an added layer of validity.
2. Projects that want their community to know their legitimate.
3. Projects desiring verification to qualify themselves to their investors.

## News organizations committed to providing objective, neutral news

1. We understand some organizations will disagree with our standards.
2. Real reporting requires real transparency.
